Law Library Funding in Jeopardy

The Stark County Law Library may soon need to make even deeper cuts in the books and online legal resources it provides. There are provisions in the Ohio budget bill (HB 66) that if passed will have devastating effects on the county law libraries. We have complete information on the proposed changes at the law library, and urge you to contact Charles Calvert, chair of the House Finance Committee and your local legislators: Scott Oelslager, William Healy, and John Hagan to request removal of the language in HB 66 that affects library funding. Stop by or call (330-451-7380) for further information.
